

## **Limited Warranty**

1. There is no warranty limited or otherwise on any product sold by Terry Grams (dba as Northern Partners [www.northernpartners.com](http://www.northernpartners.com))
2. Buyers have an option to return any item within five days of receipt in accordance with the conditions specified in the terms and conditions of sale.
3. Buyers are responsible for any and all shipping charges related to the purchase of any item purchased from the seller, including the shipping cost incurred with any prepaid and allowed shipments.
4. The seller will do his best to ship watches that are keeping reasonably good time, but does not guarantee watches to keep accurate time. This would be impossible to do because of practices used by the UPPS and other shippers. Add to this that most of the watches qualify as antiques (over 50 years old) it is not possible to warrant or guarantee and degree of accuracy.
5. The seller has historically worked with buyers related to accuracy issues but there is no guarantee this practice will continue primarily because of the age of the seller.
